Property Description

Excellent opportunity to own and operate a very manageable and profitable boutique hotel in Manuel Antonio. Situated on almost a 1/2 acre, this hotel sits right off the main road with high visibility and lots of road frontage. There are 3 structures on the property. The first has 6 deluxe Key West Style rooms with jungle views with outdoor sitting area for coffee and breakfast in the morning. The second building is the reception and 3 large ocean view suites with each their own kitchens and large terraces. The third building is the owner's home that has 3 bedrooms and 2 bathrooms with ocean view and nice porch area. There is a plenty of parking and nice pool to relax in. If needed there is more land to expand on. One of the few hotels for sale in the area and one that actually has its own owner's home. Price to sell.
