## Property Description

Welcome to your our exclusive ocean front hotel suite. The moment you walk in the door you'll be drawn to the navy blue Pacific Ocean. There's a feeling of openness right from the fully equipped kitchen with its granite counter-tops, all way into the spacious and beautifully decorated living room, which leads into the balcony. You can gaze at the five-star pool and Jacó's beach from side to side all the way to the mountains at the end. The master bedroom offers the same amazing view with its own additional balcony, this is the ONLY unit with 2 of them. The master bathroom features a walk-in closet, double sinks and a relaxing bathtub. Other details that distinguish this unit from the rest are additional lock-off space and a handy pantry/storage in the kitchen which were added after its completion. There are 3 restaurants and bars, a Las Vegas style casino, a luxury spa and salon and rental program with front desk staff.
