Property Description

The property is located just minutes from the ocean, waterfalls and downtown Pavones. It has unobstructed views of the coastline that boast year around sunsets that make this one of the best views in the zone. This 19 plus acres of prime ocean view land is waiting for the right buyer to develop or use it as a private estate. The configuration of this land on the mountain exposes all of it to the gentle breezes and expansive views of the Gulf. The property has pastures, unbelievable breezes, already existing fences, several water sources, numerous home sites, and public road access. It is also landscaped with generously producing fruit trees, ornamental palms, teak, hard woods and flowers, bird watcher's paradise. Huge potential for development, equestrian facility, retreat center, or residential compound. LOCATION Located in the far southern region of Costa Rica the rocky shores of Pavones is know for the amazing surf and great beaches.
