Property Description

Bounded by nature on land and at sea, Las Catalinas is a scenic coastal town that will continue to take shape over the years. Our compact master plan includes an abundance of plazas, parks, residences with panoramic views, restaurants, shops, inns and boutique hotels, a school, offices, beach clubs, a church, and much more. While growth is on the horizon, the town is sustainably-designed to retain its tranquil quality and generous green spaces, including nearly 1,000 acres of protected tropical dry forest and wildlife habitat. From private home to public playground, Las Catalinas is a welcoming community, a pedestrian paradise and an open invitation to a better way of life. Price \$375,000.
