Property Description

Perched overlooking the town of La Alfombra with views down the San Juan De Dios valley you will find jungle covered mountains and fertile soils. With both rolling pasture land, primary forest behind you, and your own private year round waterfall this property is perfect to set up a eco retreat center or your own private estate.. With a tract of primary cloud forest that is located in the biological corridor de la danta where you will find numerous kinds of exotic fauna and wildlife. With over 377 birds species recorded in the surrounding area this is a bird watchers heaven. This farm has multiple creeks running through it and has very fertile soil for all types of agriculture. Located minutes from the Organic market you will have access to a wealth of knowledge of local organic farmers and local workers that can help you maintain and plant your land. If you have ever dreamed of owning a Costa Rican farm with year round water, pasture land, primary forest, located 30 minutes to the beaches of Dominical and 20 minutes to the growing city of San Isidro then dont miss out on this opportunity.
