Property Description

Beautiful modern home with storybook cottage (guest home) and estate property in Lagunas near Playa Dominical. This showcase property has over 10 acres of land with mature fruit trees and lush tropical landscaping. The property boasts a 2 bedroom and 2.5 bath main house, pool, rancho, and 1 Bedroom guest house. The stunning views are of the mountains and valleys to the east. The west vista is of the Pacific Ocean with amazing sunsets. The main house is an open plan with numerous windows allowing the cool ocean breezes to constantly flow through the home. Downstairs has the large modern kitchen with all new appliances, dining room, living room, half bath and laundry room. The back porch overlooks the valley below and the abundant fruit trees that populate your estate fill the air with natural perfume. Upstairs are the two bedrooms both with full bathrooms and balconies to enjoy the incredible views.
