Property Description

This is a quality constructed home just outside of town with just under a half hectare (over an acre) of land, superb mountain views, and a great abundance of fruit trees.The home has 3 bedrooms and 2.5 baths. The master bedroom features and en-suite bathroom, balcony with mountain view, and air-conditioning. The two guest bedrooms have an adjoining bathroom. The home is a great set-up for family living. All rooms in the house are open and feature large windows with mountain and/or landscape views.The home has cedar ceilings, doors and window frames from trees that originally stood on the property. Construction is solid steel-reinforced concrete block.The home is in the "Calle Foster" neighborhood, which is only minutes from downtown. The altitude is a cool 750 meters. Calle Foster is home to many upscale and luxury homes.Since the home is close to town, there is access to all "in-town" services like high-speed cable internet.
