Property Description

Here is a chance to own a truly unique house in the heart of Manuel Antonio with tremendous ocean and park views. There are 6 bedrooms and 5 baths, the lower level room was to be used as an owners suite and the other rooms for guests. The main living and common area has nice ocean views, splash pool and a nice kitchen for all the entertainment needs. The upper level is the master suite with a huge deck overlooking the national park and wonderful ocean views. The property itself is 1385 M2 so there is plenty of room for a huge pool that the owners has plans for. This area is also one of the monkey corridors and so there is plenty of wildlife activity everyday. The construction is steel and concrete and the entire inside is encased in a beautiful and authentic rock design, it truly is a one of a kind house in Manuel Antonio Owner is willing to finance
