Property Description

Two legal parcels of land for one price! The first parcel has gorgeous valley and distant ocean views and is 17,112 m² (4 acres +), the second parcel has lovely valley views and is 20,605 m² (5 acres+) ! Purchased together these parcels of land (representing over 9 acres) present endless possibilities for personal enjoyment and creative development. The two properties work so well together and the pricing is so favorable it would be a shame to sell them separately however this possibility could be considered. Great location, within 1/2 mile of the best spa in Costa Rica:
<http://losaltosdeeros.com/spa/> 15-20 minutes to amazing local beaches like Avellanas and Playa Tamarindo!
