## Property Description

This is one of the best – and last – large development properties in the Dominical area, or anywhere else on Costa Rica’s Southern Pacific Coast. The property features an epic ocean view, is within walking distance to the beach, and is minutes to the most popular tourist attractions in the region. If you are an upscale resort developer or a luxury home builder, this is the finest property available anywhere from Jaco to Ojochal where you can capitalize on the fastest growing tourism destination in the country! Ideally situated between the towns of Dominical and Uvita, one of the hottest real estate markets in Costa Rica, this property features a prime front-row location, with unobstructed ocean views overlooking Dominicalito Bay and up the Pacific Coast to Manuel Antonio National Park. This is the closest titled property to the beach with stellar ocean views on Costa Rica’s Southern Pacific Coast.
