Property Description

Formerly known as the Bella Vista Lodge, this was one of the first Bed & Breakfasts in the Dominical area. Appropriately named "Beautiful View", this iconic property is located on a ridgeline directly overlooking Dominicalito Bay with stunning whitewater ocean views that stretch all the way up the coast towards Manuel Antonio National Park. Situated right in the heart of the high-demand Escaleras area of Dominical, the property is adjacent to many luxury homes, including a rainforest estate listed at \$4 million dollars. Before demand grew in the area, the original owner of the lodge was able to cherry pick his location and we believe that this specific property has arguably the best views on the ridge - it could not be situated in a more desirable place. For good reason, the Escaleras area has been firmly established as one of the best locations to own real estate in Southern Costa Rica.
