Property Description

Upscale and like-new beach home in a safe vacation neighborhood. Owners bought the land in the 2016 and completed the construction in 2017. This is a large spacious house with many special features.. starting with the 40-foot ceilings in the living room, followed by glass doors overlooking the big green yard full of tropical plants, there's so much light and space! Gorgeous wooden & granite island in the the kitchen area, that also has custom made wooden cabinets and granite surfaces to match, completely equipped with top of the line appliances. Everything you see is included (except a piano)There are 4 bedrooms and 3 bathrooms, all of them with high efficiency A/C units. The master bathroom features his & her sinks and a bathtub. The home has plenty of space all around it, specially in the backyard, there's about 7,500 sq. ft. of room where only the refreshing pool and the Almendro trees sit.
