Property Description

We are very excited to announce the launch of the Peninsula luxury condominium development project in Playa Langosta, the first high rise development in over 10 years!! Here's a little more information about the project: Our condominiums are located in Playa Langosta, set amongst magical white sand and a turquoise water ocean, just one block from the beach. Walk through our beautifully landscaped tropical gardens, take a dip in the resort style pool and complete your day in a quiet moment on our 7th & 8th floor sundeck, watching the sunset with a glass of wine taking in the panoramic views of the mountains and Pacific Ocean. Peninsula Condominium is a 32 unit residential project with eight floors built over an underground parking facility. It offers 2 and 3 bedroom condominiums, as well as 4 luxury penthouses nestled on the upper level. All the common and social areas are carefully designed and equipped to fulfill the most exclusive standards.
