Property Description

This is a once-in-a-lifetime opportunity to for a horse lover! The highly rated Rancho Tranquilo horseback tour business has been one of the most popular attractions in the Dominical area. The original owner has decided to retire and sell her farm -- this is the time for you to jump in the saddle and make that move to Costa Rica you've been dreaming about! The property consists of 28.4 acres of land, fully fenced in. Fences are of long-lasting concrete posts with barbed wire. All pastures have automatic water feeders. The 2-bedroom, 1-bath main house was designed to capture the delicious ocean breezes, keeping temperatures so comfortable that air conditioning was never considered or needed. The views from the main house include year-round sunset views, and views up the coast to Manuel Antonio National Park. The 8-stall barn is a comfortable home for the Rancho Tranquilo horses, which are included in the sale.
