Property Description

This 7.2 acre, ocean view lot has it all. Huge building site and huge ocean views! It overlooks the town of Uvita in the southern Pacific zone of Costa Rica. It has a great view of the famous Whale's Tail reef formation, one of the 3 Sister Islands and the rainforest covered mountains. The building site is huge and private with room up above for another casita or caretaker's cottage. Enjoy beautiful sunsets, cool ocean breezes and the city lights of Uvita at night. You'll hear the howler monkeys as they traverse the rainforest and glimpse the toucans in flight. Close to some of the most beautiful beaches in the area, Playa Hermosa and the Ballena Marine Park, and all of the great restaurants and outdoor activities. Looking for a larger piece of land?
