Property Description

This luxury Home is in upscale gated community in Ciudad Colon! Ciudad Colon is a small and trendy town at the beginning of the new highway to the Pacific Ocean. This is one of a kind community in the area due to its unique combination of city, rural and mountain lifestyle. An easy and fast commute to the main workplaces and multinationals located in Santa Ana and Escazu as well as the true ability to get to the beach in less than an hour, make this Condominio the new hot community amongst local families and expats. The home has a smart floor plan with a great distribution leaving the bedrooms on one concourse, the entertaining area at the center, the kitchen and family room on the concourse and finally the maid's quarter independent from those areas along with the garage. The home features high end finishes with granite counter tops in the kitchen and bathrooms, high ceilings, vault in ceilings with brick in a central dome, a great balcony at the main level to share with family and friends and a BBQ area downstairs connecting to a beautifully landscaped backyard and the best views of Ciudad Colon and Puriscal that you can possibly find.
