Each bedroom has its own private bath making this stunning getaway a 3 master bedroom retreat with space for all to enjoy the beautiful rainforest and ocean views in total privacy. It also helps to increase the potential for rental income for times when you are not using your beautiful hideaway personally. The first thing you notice as you walk in the door are the very high vaulted hardwood ceilings and the breathtaking ocean views anchored by the stunning rainforests that define the Pacific coast. Your view is framed by large trees that provide perch to the jungles vividly colored birds, including toucans, scarlet macaws and slow moving sloths ambling through the canopy.
