## Property Description

Downtown lot of 1,325 meters squared a few blocks off the Interamerican Highway and fronting a busy paved road leading to popular residential communities. This lot could serve as either a homesite or a great location for a commercial establishment of some sort. Nearby are many successful business locations, such as the popular Cafetin restaurant. The lot has 20 meters of road frontage and is 80 meters deep. All services are available from the public road. San Isidro de El General is the second-largest city outside of the GAM of the central valley (the area that includes San Jose, Alajuela, Heredia, and Cartago). Here you can find anything you need, including great public and private medical care and even a mall with a cinema!. San Isidro is known as one of the fastest-growing cities in the country. San Isidro has the largest farmer's market in the region. Expats at the beach find it necessary to make frequent trips to San Isidro for provisions or services they cannot find at the beach.
