Property Description

Inspired by the charm of the old-world villas, this spectacular estate offers the best of timeless design and pure elegance, with all the virtues of living in the prestigious gated community of Santa Ana, Eco Residential Villa Real. The astounding beauty of the location demanded a structure that took full advantage of the picture-perfect surroundings, with the main level raising over the landscaped gardens. Extremely private, Casa Malinche is a two-story luxury home that incorporates the finest in architectural details, located in a privilege section of the West side of the community far away from the noisy highway, and enjoying panoramic views of the Santa Ana Valley, the mountains and the spectacular sunsets over the Pacific Ocean at the far distance, from its expansive lot of 3,272.02 m². The formal entry opens to an impressive covered courtyard with a Spanish style water fountain, that become the heart of the house, connecting by ample hallways with high beamed ceilings, the social areas, the kitchen and the bedrooms.
