## Property Description

This property is a new, clean, profitable, income-producing 4 loft building located in a very secure and quiet neighborhood in the heart of Jaco Beach, Costa Rica. This completely new complex features Magazine Industrial Decor and high-quality Finishes. From Unique Accent Walls to Indonesian, natural pool tiles, Arineto Del Mar Lofts is a refreshing experience. Four Designer Units The high ceilings, exposed masonry walls, and trendy Edison light bulbs lend this space a distinctly urban feel. Yet just outside is a serene emerald pool and wicker lounge chairs surrounded by tropical plantings The Lofts are currently operated as a highly profitable Airbnb location for couples, Surfers, Travelers, and families who sometimes rent the entire building for a private vacation palace accommodating up to 8 people. The income for 2020, during the pandemic, will overcome the first year income in 2019 of \$55,000.
