Property Description

With a view of one of the best golf courses in the area and the level of finishing only found in Reserva Conchal, this spacious 3 bed condo is truly one of a kind. With expansive renovations to the kitchen, using mostly high quality Costa Rican wood, it ties the Spanish Colonial feel with the natural resources only Costa Rica has to offer, giving you warmth and comfort throughout. Well lit throughout due to large windows and the spacious high ceilings, only found in the 3 bedroom corner units, combine to give a feel of freedom and tranquility. In the dry season you can catch a 'peek-a-boo' view of the Pacific Ocean and in the green season you will be delighted by the foliage on offer and the natural wildlife that comes with it. Three bedrooms, the spacious master has a wonderful ensuite and is finished with the typical high quality found in Reserva Conchal. The other two are equally well finished and share the second bathroom.
