This exclusive estate-sized property lends itself to be the ultimate health and wellness resort, or boutique hotel, or high-end residential development. This coastal section, especially the area near Dominical has very aggressive topography and this is one of the only large parcels that offer the ability to develop, and the infrastructure is in place, and ready for the investor developer to make their dream come true! The perfect blend of luxury and comfort. Upon entering the villa, you'll appreciate the indoor-outdoor flow of the open-floor-plan design.
