Property Description

Breathe in the essence of the rain forest as you relax in tropical tranquility in this beautiful open feel, peaceful home overlooking the beautiful Parrita River valley and surrounding mountains. This stunning two-story, 2 bedrooms, 2 bath home is situated on over 1.6 acres within a secure gated community just a few miles off the coastal highway above Playa Bandera on the Pacific Coast of Costa Rica. The first thing you notice as you walk in the door is a breathtaking 180-degree view of the bucolic valley traversed by the shimmering Parrita River and anchored by the soaring mountain peaks that define the Pacific coast. Your view is framed by large trees that provide perch to the jungle's vividly colored birds, including toucans and scarlet macaws. The only sounds you hear will be birds, wildlife, and the rustle of peaceful breezes. The second thing that takes your breath away as you enter this treetop Shangri-la, is the huge chef's kitchen with beautiful slate countertops, top-notch appliances, teak drawers, and a long counter where you can entertain in style.
