## Property Description

The estate (Finca) property consists of 372 Hectares (919 acres) in the Limon Province, approximately 16 kilometers west of the port city of Limon. It is accessed heading east on the main highway leading out of Limon to San Jose, then heading south approximately 10 minutes at the highway intersection at Liverpool. The property is located between North South gridlines 25 & 27, and between East west gridlines 12 - 16 (see map). The estate consists of a wide variety of topographical features, including lush tropical rainforests, riverfront pastures and elevated terraces with beautiful views of the Caribbean Ocean. The property contains two rivers, with the Rio Quito flowing through the northern section of the estate and bounded to the south by the Rio Victoria as it flows east and turns into the Rio Blanco. Waterfall features are also part of this river system and are present as well as on adjacent properties.
