Property Description

This lot is located in the hot residential area of Samara, el canto de los Gavilanes, just a 5-minute walk from the town center, and the beach. Situated at a very convenient and central location, this 1,323 square meter lot has two street fronts, one on each side of parallel roads making it ideal for any housing, farming or business development. This lot should be a top consideration, not just because of its size, but for its location and its access to public services.
