## Property Description

Dream Escape Villas are a luxurious escape, nestled in a rainforest jungle, next to the beach of the infamous Whale's Tail in Uvita, Costa Rica. It features top-notch amenities, including a waterfall outdoor pool and a large outdoor terrace, ideal for practicing yoga. This luxurious property includes two villas, which would be ideal for a family or friends looking to buy a vacation home together. This 3 bedroom villa can comfortably sleep six people, though there is a pull-out couch in one of the villas meaning if you have a large family, you could fit 8-10 people. There are two separate villas: a one-bedroom, one bathroom villa and a two-bedroom, two-bathroom villa. Each of them includes a fully-equipped kitchen, living room, and outdoor terrace. Each of the villas includes a gourmet kitchen with high beam ceilings, wooden cabinetry, and stainless steel appliances. It also features a large breakfast bar with four high-top black stools, making casual eating accessible.
