Property Description

5.46 acre (22,020 m²) property with a seasonal river running through it! This naturally gorgeous property is located in the desirable community of La Concha Verde and close to the renowned Los Altos de Eros Spa and only 20 minutes to some of the best beaches in the area, including Playa Avellanas! There are fine homes spotting this pristine valley. This is like living off the grid but having access to everything! Also check out Property ID #11206 for Casa Bali (the same owner) if you are looking for a completed home and amazing acreage! The land is heavily wooded so the photos just cannot do the property justice but your vision can. With a little manicuring this property will unfold!
