Property Description

Beautiful Crystal Sands is a unique exclusive oceanfront condominium community located directly on the beach in the pristine community of Playa Langosta. The open floor plan for this 3 bedroom, 3 full baths home is quite large, consisting of over 3,000 square feet. All of the quality stainless steel appliances in the gourmet kitchen are brand new. The best local interior design company was recently contracted to completely renovate the interior. Gorgeously themed color accent walls are to be found throughout the residence. The building offers a large community pool with club house, beach lounge area with fire pit to enjoy the starlit evenings, underground assigned parking with a generously sized private storage area large enough to store fishing gear, surfboards, kayak and an ATV. It is rare to find an ocean front complex in this part of the world which offers this level of luxury and comfort.
