Property Description

This modern and elegant luxury home for sale in the exclusive private residential Condominium La Hacienda offers the highest level in luxury, privacy, security, comfort, and tranquility. It was designed thinking about how to live nature from the inside. For this reason, the internal garden, of unusual size, was planned to be enjoyed from all social areas.An important feature is that the house has four bedrooms, each with its own bathroom and walk-in closet. The first-floor bedroom has an elegant full bathroom and walk-in closet. It was intended as a multipurpose area that can be used as a guest bedroom, office, bar, library, spa, etc. since it is located in a very private area of the house.The best visual impact of the internal design is the natural environment that is enjoyed through the large windows in each room. All enjoy natural light and cross ventilation for the well-being of the inhabitants.
