Property Description

This lot is located just 5 minutes walk from the center of Samara, is located near the crossroads between Samara and Playa Cangrejal, and has direct access to the main street which makes it attractive for any type of residential or commercial use. With access to public services (electricity, water), and two semi-paved public roads, this property is ready to be developed. For more information, please contact Gustavo at gustavo@coldwellbankersamara.com.
