Property Description

Just close enough to everything but, thankfully, just far enough away! Victoria Real is a lovely and quiet residential project in the heart of the 'Gold Coast'. It is just seven minutes to Tamarindo Beach and located in the area called Santa Rosa (Saint Rose). Along the main road that you drive to get to Santa Rosa there is a new and burgeoning commercial scene happening with pharmacies, vets, hardware stores, doctors, dentists, and big local grocery stores. Everything you need is just a couple minutes away. Authentic Costa Rica Victoria Real is not located on the aforementioned main road between Tamarindo and Huacas (Wa-kas) it is on a secondary road that leads from Villareal to lush secondary forest and wildlife. Here, you will live out your dreams of tropical life in peace and tranquility. The Project Victoria Real lots are large and spacious residential lots. Each one of them is accessed by an agricultural easement.
