Property Description

Zapotal - Organic Farm The owners have owned and farmed the land organically for 7 years. It has been certified organic for 4 of those years. The farm is currently growing coffee, banana, platano, mandarina, apples, oranges, satsumas, avocado, guayaba, guava, guanábana, limes, lemons, potatoes, ginger, curcumin/turmeric, chayote, and a wide variety of other plants and trees. There are various outbuildings including a large barn/open garage, a purpose built compost facility of 24 m2, a 60 m2 greenhouse, plus a small greenhouse for the house. Close to the house there is a laundry room and visitor facilities including a toilet, shower and kitchen. Below the house is a 12 m2 concrete shelter, which has running hot and cold water and could be easily used as an isolation room amongst other things. There is a goat house which is designed to be easily converted into a house and is currently producing excellent organic goat milk, yoghurt and hard cheese.
