Property Description

Designed by renowned architect Victor Cañas, this stunning home with 4 bed, 4.5 bath, 3700 sq foot blends seamlesslyinto the mountain and jungle setting with stunning panoramic ocean views over Playa del Coco and beyond. Walls of glass integrate the natural world into the home, but in addition to the stunning views you will be amazed at the way the mountain is incorporated into the kitchen. This modern space with beautiful stainless appliances and ceramic countertops includes a large gas stove that literally sits atop rock. Gourmets will enjoy their own private kitchen garden. Immerse yourself in the generous living areas, both inside and out. Large groups will appreciate the room to spread out. Imagine watching the boats in the bay from anywhere in this home as you sip your morning coffee or tea.Step into the luxurious master bedroom situated overlooking the infinity pool. You'll wake up every morning to exceptional ocean and mountain views.
