Property Description

Location, views, & nature – check, check, and check! Over a half-acre of land surrounded by mature trees and sweeping views of the hills. Just steps from the best restaurants in town and a short walk to the beach, the location is perfect. This property has access to 160 and the beach road, making it easy to hit the road for an early morning surf trip or walk to dinner with the family. It already has a defined building pad, which makes it easy to envision a house on the property. An elevated lot in North Guiones is hard to come by! Please inquire for more details.
