Property Description

Unique opportunity to develop a Hot Spring Resort and Residential Development in Cartago, Costa Rica. This great land is perfect for a Hotel with an amazing Resort / Spa, it can also be a one day Spa. The lot has an excellent location just 20 minutes from San Jose City and a short distance from the Panamerican Highway . Tourists and local people are very familiar with the benefits of Hot Springs, which is very advantageous for business profitability. Thermal water has a number of important benefits to the human being. For example it helps support the hydrostatic pressure in the body which increases blood circulation and cell oxygenation. It also increases blood flow, it helps dissolve and eliminate toxins from the body, reduces muscle pain and reduce stress. Worldwide Hot Springs are used and known for their medicinal benefits. The property is located in a small valley surrounded by mountains which creates a perfect environment for a residential development with its own Hot Springs.
