Property Description

Are you looking for the perfect combination of Costa Rican wilderness and proximity to town and beaches? On this property, you will find yourself surrounded by trees, wildlife, and a beautiful natural creek while just minutes to plentiful area attractions including tours, beaches, surf lessons, and more. This unique property is just a short walk to Playa Colonia and a short drive/bike ride to Uvita. This property has it all including legal water from the local Uvita ASADA! The property is located in the town of Bahia just outside of Uvita Costa Rica. Bahia and Uvita are known for the Whale's Tail Beach at Playa Uvita, which is part of the Costa Rican National Park system. One of our favorite features of this property is that it is located just 8 minutes by foot to a "secret" entrance to Playa Colonia. Playa Colonia is adjacent to the iconic Whale's Tail rock formation which makes for incredible morning walks or visits to the gentle beaches along the way.
