Property Description

The house is strategically located so that you can live in the mountains and still be only 30 minutes from the airport, 45 minutes from the Arenal Volcano and Poas Volcano, and 1 hour from the beaches. The property is only 8 minutes from the center of San Ramón with a variety of commerce, it has recreational areas for sports and exercise, a hospital, clinics, pharmacies, and prestigious bilingual schools. Most of the inhabitants in the community are North Americans, in the same community there is a hotel which offers services for a gym and a racket ball court which charges a small fee per a month. The house is 25 meters from the main street. The front of the house is made of large windows which allow you to enjoy spectacular views of the Pacific Ocean and surrounding mountains. You can watch the large cruise ships that dock at Puntarenas. Each room opens up to the balcony where you can feel the fresh breeze and observe the natural green mountains and listen to the singing of the birds.
