Property Description

Views just do not get better than this. Perched at 1400 feet above the Pacific with sweeping ocean views, this Duplex / Home is a perfect property that meets the various needs of discerning customers. This is a three-level home. On the top two floors is the main home, which consists of a 2-bed, 1.5 bath unit. Meticulous thought was placed on wood finishes (cristobal) throughout. An octagonal structure that captures the natural surrounding and ample decking on all angles. Upstairs is a spacious kitchen / living area. On the first floor is the apartment, which is a one bedroom, one bath configuration. This area makes for a private caretaker unit or for family usage. Each floor is exactly 700 ft². Additional large - building site that can be developed in the future for a large luxury home is available for purchase. There are existing plans for this site, or simply use the land for spacial separation, gardening or personal uses.
