Property Description

This jewel of a home, with 480 sqm of high quality construction, is full of detail inside and out. This home is spacious and intimate at the same time. It has four levels in three floors and sits on a 900 sqm lot. Built with personalized architectural details. The façade is if a colonial style. Once inside, still colonial style finishings with all sorts of modern features. A harmonious space opens up as you walk in to an extraordinary welcoming seating area full of detail on the ceilings and walls. On this same level you'll find the guest room or studio with views to the beautiful and fully landscaped backyard, a full bathroom and a garage with lots of storage and 4 parking spaces. Half floor (one level) down is an ample living room; off the living room is the dining room; the island kitchen with a comfortable breakfast area and a large size covered terrace. The kitchen is well lit and modern; it has a granite top island with metallic stools, lots of cabinetry and a gas cooktop.
