## Property Description

Casa de Una Planta en Zapote. The property is on one floor, has four attached but independent houses, which can be rented to generate monthly income of around 800,000 colones per month, or for a family room, business or office. It consists of two houses with a dining room, kitchen, a bedroom and a full bathroom and two studio apartments, which have a small kitchen, bedroom and full bathroom. The four houses share a washing and laying area. This property is located in a high traffic area on a main street with commercial land use, so the land could also be used for the construction of a building. It has an electric gate and parking for three cars.
