Property Description

Located in the beautiful Orosi Valley, this off grid property has been designed for as much self sufficiency as you want: a 16 solar panel system, a glass-roofed vegetable, herb and flower garden, crop and field gardens, a barn/workshop, fruit orchard, spring water, livestock systems for food and fertilizer. Surrounded by mountains, this place is just peaceful and full of energy from the forest while still having all the benefits and advantages of being close to general amenities: the small town of Cachi is only 10 minutes away, Cartago city is a 40 minute drive and you can be at the international airport in under 2 hours. The beautiful hard wood home has teak floors and granite counters, with a Master Bedroom, living area, kitchen, dining room, bathroom and a meditation deck. There is plenty of space to build and develop the property or simply relax and enjoy the beautiful magnificence of this unique location.
