Property Description

This masterfully renovated luxury residence is perched on the lower slopes of the Talamanca Mountains above Ojochal with grand views of the ocean and coastal Pacific landscape. The distinctive home spans over 5,000 square feet of sophisticated modern design and amenities situated on over 1 acre of lushly landscaped land. Easy access and just minutes beaches, fine culinary restaurants, grocery deli, spa, pharmacy, doctors office, and more. The property encapsulates the warmth and wonder of a beautiful, modern home in Costa Rica. A skillful emphasis has been placed on indoor-outdoor flow, capturing the ocean and mountain breezes while capitalizing on the serene Pacific views. The rising and setting sun creates a dramatic view from the property's many terraces and patios. This property's numerous outdoor living spaces conjure the desire to relax, enjoy, and imagine. Asian, Balinese and Moroccan design influences can be seen throughout this dream home and each space has been meticulously designed to be grand enough for a relaxed and lavish lifestyle as a primary residence or a luxury rental.
