Property Description

Welcome to the palace in the jungle! This gorgeous home is set on a sprawling 4.6 acres, a true tropical oasis. The property is adorned with lush foliage, fruit trees, including banana, lime, lemon and mangos. The main home consists of a beautiful yet cozy living room, 2 bedrooms, each ensuite, an office which could be transformed into a 3rd bedroom, gourmet kitchen, two car garage as well as a covered carport area, large enough to store a 40 ft. boat, ATV's and all other beach toys one may desire. Also, the owners recently installed a water filtration system throughout the entire home. The outdoor space includes a beautifully designed and quite large saltwater infinity pool with plenty of lounge chairs to enjoy the sunny and balmy Guanacaste Costa Rica climate. Just next to the pool there is a spectacular covered outdoor living area. The grand custom made Guanacaste Wood dining table seating up to 12, an additional comfy and cozy living room with several flat screen televisions plus a wet bar, it's an area designed for entertainment.
