Property Description

THIS FINCA HAS LEGAL ASADA WATER. Located just 7 minutes from the costal highway this large finca offers extreme southern ocean views down the coastline and encompass a total of 37.29 acres (15 hectares). The finca is located in the private upscale Hills of Portalon development between Dominical and Manuel Antonio with a full time onsite caretaker. Not only does the property offer stunning ocean views but it also contains numerous creeks and waterfalls. The property is situated in a development that has a LEGAL Asada water system in place and is approximately 20 minutes to the Quepos airport with a direct flight to the San Jose International Airport. The finca also has two applications submitted for water concessions for future development. The Hills of Portalon is an excellent investment opportunity as a high-end eco-friendly development. The prices include ownership in approximately 150 acres of your own private biological reserve.
