Property Description

This gorgeous turn-key cabina rental business is ready for you to take over and make it your own. All 5 cabins are in great shape, very clean, and feature A/C. A 3 bedroom / 2 bathroom main house could be used for owners, caretakers, or used as an additional rental. There is an extra lot below the cabins which is currently being used as a mechanic's workshop. This space could fit more cabins, a small restaurant, or continue to be rented out as is. There is plenty of extra space next to the cabins to put in a pool, although the beach is within walking distance! This location gets ample foot traffic and many cars passing by each day. The property can easily be seen from the main road and has a variety of attractive businesses occupying the space already! There is a sushi restaurant, corporate offices, real estate office, and a souvenir shop. All of the commercial units are leased for three years and the excellent location makes it a prime spot for prospective tenants.
