Property Description

COLDWELL BANKER SAMARA EXCLUSIVE! If you are looking to immerse yourself in the permaculture lifestyle, living off-the-grid in Costa Rica, this 37 hectare farm would be an unbelievable property to do so. This property offers agricultural ecosystems intended to be sustainable and self-sufficient. The property has 2 water wells with an abundance of pure fresh mountain water. There is a river that runs through the property, the owner also has a small farm house that can be included if desired. The owner is also willing to parcel off hectares or lots of the farm to make the price more affordable. You can build and develop your dream farm, or this property would be great for a developer to separate into parcels and make your own Maquenco mountain community. There are already a couple of platforms ready to go with incredible views. If you are looking for a lot of land or just a little this is definitely a must see property and all offers will be entertained.
