## Property Description

REDUCED! This large, Spanish Mediterranean house in the desirable neighborhood of Cariari, just across the river from the 11th hole of the Cariari Country Club golf course. It is walking distance to many shops, restaurants, bus transportation and the convention centers; and only a 15-minute drive to the international airport. The home has been run as a B&B for the last 18 years as a hobby. It is a great home for a family with lots of space for your children to play outdoors. As you enter the house, your attention is drawn to the 2-story entryway and grand staircase. The living room is very spacious and features a fireplace. There is a large office that could also be converted into another bedroom with the addition of a bathroom or a game room. The formal dining room enjoys a high ceiling, light from the stair case and opens onto a covered terrace. The kitchen is very spacious and also opens onto the covered terrace.
