Property Description

This spectacular, newly-expanded, and tastefully updated luxury villa is conveniently located only five minutes from downtown Uvita and also just five minutes from beautiful Playa Hermosa. The Villa features the absolute best of both the jungle and the beach views, all with incredibly easy access, and nice elevations that provide cool breezes all day long. The views from multiple terraces are astounding in every direction, and the villa opens up very nicely to enjoy the breezes blowing off the ocean by day, and again all evening long coming down off the mountain above and behind the property. Beach, parks, shops, restaurants and medical facilities are all within a less than 10 min drive. The Villa is surrounded by lush rainforests and pristine beaches and has 180-degree views of the famous "Whale's Tail" in the nearby Marino Ballena National Park from every floor. The Villa is amazingly well-appointed and you will love the huge 10 person spa! The property features 4 bedrooms and 5 1/2 baths with custom finishes throughout.
