Property Description

This brand new property is only 350 meters from the beach, in the peaceful village of Playa Samara on the Pacific Coast of Costa Rica. This two-story house features 3 large bedrooms, 3 baths, a gorgeous kitchen and an amazing outdoor living space all designed with impeccable taste. The ground floor features a beautiful, fully-equipped kitchen with top-of-the-line appliances (electric oven and 6 burner gas hob kitchen aid, American type fridge), a generous living space and one bedroom with an en-suite bathroom. The second floor has two additional bedrooms, one of which opens onto a 25m² balcony with a jungle view of the amazing local wildlife including monkeys, birds, iguanas, coatis and more. This quiet balcony is the perfect spot to practice yoga while connecting with nature. There is also a large "open space" currently used as an office but it could easily be converted into a 4th bedroom.
