Property Description

This concrete block and very modern home is located in the popular Miravalles section of Perez Zeledon, just minutes north of downtown San Isidro de El General. The location is super convenient and the altitude provides for a great year-round cool climate, as well as views of the valley and city that are nothing but spectacular! The home features a master bedroom with en-suite bathroom (equipped with Jacuzzi tub) and small deck with view. There are two guest bedrooms with a shared bathroom. The kitchen is spacious and comes fully equipped. There is also a separate dining room and living area. Off the dining area is a deck with a great view of the valley below. The home is being offered turn-key with all furniture and appliances included. There is also a laundry room and bodega on the ground floor. The landscaped yard features a variety of fruit trees. San Isidro de El General is the second-largest city outside of the GAM of the central valley (the area that includes San Jose, Alajuela, Heredia, and Cartago).
